

## **Lesson Allocations Report**

### **Conflicts**

This allocation already exists for Mr. Moseti teaching Internet Based Programming (IBP) in ICT 3.

Time conflict detected for Madam Eunice teaching Management Information System (MIS) in ICT 3 on day 1.

Time conflict detected for Madam Eunice teaching Management Information System (MIS) in ICT 3 on day 2.

Time conflict detected for Madam Eunice teaching Management Information System (MIS) in ICT 3 on day 3.

Time conflict detected for Madam Eunice teaching Management Information System (MIS) in ICT 3 on day 4.

Time conflict detected for Teresia Muthoni teaching Data Communication in ICT 3 on day 1.

Time conflict detected for Teresia Muthoni teaching Data Communication in ICT 3 on day 2.

Time conflict detected for Teresia Muthoni teaching Data Communication in ICT 3 on day 3.

Time conflict detected for Teresia Muthoni teaching Data Communication in ICT 3 on day 4.

Time conflict detected for Teresia Muthoni teaching Networking in ICT 3 on day 1.

Time conflict detected for Teresia Muthoni teaching Networking in ICT 3 on day 2.

Time conflict detected for Teresia Muthoni teaching Networking in ICT 3 on day 3.

Time conflict detected for Teresia Muthoni teaching Networking in ICT 3 on day 4.

Time conflict detected for Madam Susan teaching Principles and Practice of Management in ICT 3 on day 1.

Time conflict detected for Madam Susan teaching Principles and Practice of Management in ICT 3 on day 2.

Time conflict detected for Madam Susan teaching Principles and Practice of Management in ICT 3 on day 3.

Time conflict detected for Madam Susan teaching Principles and Practice of Management in ICT 3 on day 4.

Time conflict detected for Frank Obura teaching Trade Project 1 in ICT 3 on day 1.

Time conflict detected for Frank Obura teaching Trade Project 1 in ICT 3 on day 2.

Time conflict detected for Frank Obura teaching Trade Project 1 in ICT 3 on day 3.

Time conflict detected for Frank Obura teaching Trade Project 1 in ICT 3 on day 4.

No qualified lecturers found for Quantitative Techniques in class ICT 2.

This allocation already exists for Frank Obura teaching Database Management System (DBMS) in ICT 2.

No qualified lecturers found for Visual Basic Programming in class ICT 2.

No qualified lecturers found for Object Oriented Programming - C++ (OOP) in class ICT 2.

No qualified lecturers found for System Analysis and Design (SAD) in class ICT 2.

Time conflict detected for Teresia Muthoni teaching Computer Application II in ICT 2 on day 1.

Time conflict detected for Teresia Muthoni teaching Computer Application II in ICT 2 on day 2.

Time conflict detected for Teresia Muthoni teaching Computer Application II in ICT 2 on day 3.

Time conflict detected for Teresia Muthoni teaching Computer Application II in ICT 2 on day 4.

Time conflict detected for Mr. Moseti teaching Computer Application II in ICT 2 on day 1.

Time conflict detected for Mr. Moseti teaching Computer Application II in ICT 2 on day 2.

Time conflict detected for Mr. Moseti teaching Computer Application II in ICT 2 on day 3.

Time conflict detected for Mr. Moseti teaching Computer Application II in ICT 2 on day 4.

No qualified lecturers found for Computational Mathematics in class ICT 1.

This allocation already exists for Teresia Muthoni teaching Computer Application I in ICT 1.

Time conflict detected for Mr. Moseti teaching Computer Application I in ICT 1 on day 1.

Time conflict detected for Mr. Moseti teaching Computer Application I in ICT 1 on day 2.

Time conflict detected for Mr. Moseti teaching Computer Application I in ICT 1 on day 3.

Time conflict detected for Mr. Moseti teaching Computer Application I in ICT 1 on day 4.

No qualified lecturers found for Structured Programming in class ICT 1.

Time conflict detected for Teresia Muthoni teaching ICT & Ethics in ICT 1 on day 1.

Time conflict detected for Teresia Muthoni teaching ICT & Ethics in ICT 1 on day 2.

Time conflict detected for Teresia Muthoni teaching ICT & Ethics in ICT 1 on day 3.

Time conflict detected for Teresia Muthoni teaching ICT & Ethics in ICT 1 on day 4.

Time conflict detected for Teresia Muthoni teaching Operating Systems in ICT 1 on day 1.

Time conflict detected for Teresia Muthoni teaching Operating Systems in ICT 1 on day 2.

Time conflict detected for Teresia Muthoni teaching Operating Systems in ICT 1 on day 3.

Time conflict detected for Teresia Muthoni teaching Operating Systems in ICT 1 on day 4.

No qualified lecturers found for Communication Skills in class ICT 1.

No qualified lecturers found for Entrepreneurship in class ICT 1.

Time conflict detected for Madam Susan teaching Life Skills 1 in ICT 1 on day 1.

Time conflict detected for Madam Susan teaching Life Skills 1 in ICT 1 on day 2.

Time conflict detected for Madam Susan teaching Life Skills 1 in ICT 1 on day 3.

Time conflict detected for Madam Susan teaching Life Skills 1 in ICT 1 on day 4.

This allocation already exists for Madam Susan teaching Life Skills 2 in Computer Studies 1.

Conflict detected: Frank Obura is already allocated during 08:00:00 to 10:00:00 on day 1.

Conflict detected: Frank Obura is already allocated during 10:15:00 to 12:15:00 on day 2.

Conflict detected: Frank Obura is already allocated during 13:15:00 to 15:15:00 on day 3.

Conflict detected: Frank Obura is already allocated during 15:30:00 to 17:30:00 on day 4.
